# SHIP INSPECTIONS

With over three decades of experience, our team has a strong passion for delivering the finest ship inspection experience to our customers.

## S&P SHIP INSPECTIONS

- We have trusted business relationships with all leading brokers worldwide, providing the most credible reports on the planet.
- The entire inspection process is monitored in near real-time, and you are promptly alerted as things unfold.
- We ensure fast turnaround of reports customized to meet clients' specific needs and deadlines.
- Our trusted condition inspection report is the most comprehensive in the industry, featuring over 1000 photographs, optional videos, and categorized like a walkthrough of the ship.
- Vessel grading is conducted using either an overall condition scoring with a two-digit number or a clearly understood eight-point scale condition system for all ship types - Dry, Container, Wet, Gas, Ro Ro, Reefers, Offshore, and others.
- All this information will be accessible on the web through a secure password for authorized parties, buyers, and sellers.
